

## Earthways Shamanic Path (“EwSP”)

### Annual Membership Form

*July 1, 2016 to June 30, 2017*

Thank you for your interest in membership in the Earthways Shamanic Path. At present, the Earthways Shamanic Path is seeking a non-profit status, but we are not there yet. This 2016-17 membership is like a Kickstarter campaign, without all the emails from them afterwards. I’m offering you an opportunity to show support in the EwSP project. Think of it as a fan club.

*Costs \$60.00, and is payable in easy installments*

**Benefits of the 2016-17 membership contribution (runs until June 30, 2017):**

1. A wallet-sized EwSP 2016-17 Membership card
2. Member rates at all upcoming Earthways events, including the **EwSP 2017 Gathering**. (A savings of 25% over general public pricing.)
3. Advance notification of all EwSP events.
4. “Members only” invitations to the **Shamanic Nature Treks™**. The Shamanic Nature Treks are special events held once a month, where we physically travel to a park or natural setting in Southwest Florida, then take Shamanic Journeys while we are there. This is a closed group, for members of the EwSP, only. (You will still be responsible for your parking costs, and park admission.) The Treks are conducted monthly, on the fourth Saturdays (except for November and December) outdoors in Southwest Florida. Treks are generally conducted in the mornings, from about 9:30 to noon, but I hope to conduct at least one overnight Trek. During the Shamanic Nature Treks we will experience a more advanced walking Shamanic meditation process. The Treks are only open to card-carrying members of the Earthways Shamanic Path.
